AVF LIFT PROGRAM**

THE AVF LIFT PROGRAM

LIFT : LOST IN FRANCE TOGETHER

LIFT is a series of sessions organised by the AVF association (Accueil des Villes Françaises) in Versailles, designed to help newcomers from other countries adjust to life in France. People are welcome to attend any or all of the sessions ; they are all free of charge for a small AVF membership fee.

Set up as workshop by AVF Versailles, the sessions are held in English and given by expats and native French with experience of international moves.

LIFT is offered as a free service to AVF members. Non-members can sign up at any of the LIFT sessions. Membership also gives access to a wide program of activities organised by the AVF Versailles including English-French conversation groups, cultural visits and activities (e.g. book club), sport activities, culinary workshops, recreational activities, nature outings, sight-seeing tours, day trips to discover regional France, etc. You don't have to live in Versailles to join.
